

PRINCIPLES BY RAY DALIO

LIFE PRINCIPLES

Think for yourself to decide 1) what you want, 2) what is true, and 3) what you should do to achieve #1 in light of #2. . .

Make believability-weighted decisions.

Operate by principles . . .

Systemize your decision making.

Embrace Reality and Deal with It

- Be a hyperrealist.

Dreams + Reality + Determination = A Successful Life.

- Truth—or, more precisely, an accurate understanding of reality—is the essential foundation for any good outcome.

- Be radically open-minded and radically transparent.

Radical open-mindedness and radical transparency are invaluable for rapid learning and effective change.

Don't let fears of what others think of you stand in your way.
